

some lady doctor.

*Janko:* What's that all about?

*Vicka:* Well, at the time there was a lady doctor at Podbrdo also.

*Janko:* And?

*Vicka:* She wanted to touch the Virgin.

*Janko:* What then?

*Vicka:* We asked the Virgin, and the Virgin said: "There were always unfaithful Judases, but she can. Let her approach."

*Janko:* And then?

*Vicka:* The doctor approached and touched the Virgin.

*Janko:* How did she know where to touch, since she could not see the Virgin?

*Vicka:* I directed her.

*Janko:* And she really touched the Virgin?

*Vicka:* Really, certainly!

*Janko:* And where did she touch her?

*Vicka:* On the left shoulder. That was most convenient.

*Janko:* And what did the doctor do?

*Vicka:* What! She stepped back, and who knows what she was thinking within.

*Janko:* Did she say anything?

*Vicka:* She said nothing in front of the people. Later she stopped at our house and before all declared that when she touched her she felt some sort of tingling through her hand, but she didn't say anything else.

*Janko:* Did she ever come again to the apparitions?

*Vicka:* I never saw her again. But, you know how that is with that sort. You're intelligent...

## *The Seventh Day* (Tuesday, the 30th of June, 1981)

*Janko:* Mainly, Vicka, we know that on Tuesday, the 30th of June, you weren't at Podbrdo for a meeting with the Virgin.

*Vicka:* We weren't, we weren't.

*Janko:* Why and how was that?

*Vicka:* They took us on some sort of outing. We came back late. And, thus...

*Janko:* Who took you?

*Vicka:* Two girls came for us about two in the afternoon. And, they offered to take us about a bit in their car. Not suspecting anything, we got ready and left.

*Janko:* Who all went?

*Vicka:* Why, the two of them, and the five of us Seers. All except Ivan.

*Janko:* Why didn't he go also?

*Vicka:* Well, we didn't urge him too much, and he really didn't seem to want to.

*Janko:* Did the two girls tell you where they planned to go?

*Vicka:* No, no! They just said let's go out a bit, and that was all.

*Janko:* And where did they take you?

*Vicka:* First off to Citluk

*Janko:* And then?

*Vicka:* Then to Zitomislic, then to Pocitelj. We looked about a bit in Pocitelj, and then off to Capljine.

*Janko:* And, then?

*Vicka:* They treated us to some kind of juices and cakes there, and then off again...

*Janko:* Where to?

*Vicka:* On to Kravica [a waterfall], then Ljubuski, and then home...

*Janko:* And when did you arrive at home?
